

Compact rear entry solution

FORD TOURNEO CONNECT

Individual transport and ride along solution
by PARAVAN for wheelchair users

Version Ford Tourneo Heck V3.0 08/2020 EN

- Wheelchair tie-down in the rear of the vehicle (fastening point with belt system)
- Two electric belts at the front make stowing easier and prevent your wheelchair from rolling backwards
- Electric winch (optional)
- Cassette carpeted (reducing noise, no risk of slipping)
- Power-supporting, folded ramp with side handle possible (optional)
- Splitted ramp provides clear view through the rear window (optional)
- Lightweight drive-on ramp available - up to 70% weight reduction (optional)
- 3-point belt system
- Stainless steel exhaust system
- Air suspension on rear axle resulting in a reduced entry angle (optional)
- High quality workmanship for the rear cut-out and tub (bolted and riveted)
- Two retractors for wheelchair fastening
- Complete preservation of the back seat row
- Mechanical head and back rest (optional)
- Width of cassette approx. 840 mm
- Length of cassette approx. 1385 mm
- Entry height approx. 1480 mm
- Inside height at centre approx. 1360 mm
