FORD TOURNEO CUSTOM SF

The alternative for your mobility - as a diesel or hybrid!

A conversion with many options: The disabled-friendly PARAVAN conversion of the Ford Tourneo Custom offers them to you! Whether you want to drive barrier-free with your wheelchair directly behind the steering wheel or prefer to transfer comfortably to our transfer seat base in the vehicle - our new interior concept with barrier-free vehicle floor from the A to the C-pillar makes it possible. And when it comes to the engine, we now offer you our first alternative plug-in hybrid solution with the Ford Tourneo Custom, in addition to the classic diesel variant. You decide!

Dimensions based on Ford Tourneo Custom with wheelbase L2

Height limit:	1310 mm	Interior height:	max. 1425 mm	Interior width:	1530 mm
Ramp width:	788 mm	Eye level:	1300 mm	Ramp length:	1182 mm

NOTE: After conversion, the original manufacturer's dimensions and consumption data may change. Dimensions may vary slightly from vehicle conversion to vehicle conversion due to production.
